

CHEMIONICS CORPORATION

QUALITY POLICY

Chemionics mission is to perpetuate a successful and dynamic company by providing value to our customers through consistent, high quality products and services.

We will do our best to provide a safe and positive working environment for our employees through training, education and active participation in the company's success

We will continually upgrade our entire quality system through conformance with and active monitoring of ISO 9001:2000 standards.

We will operate our company in a highly professional and ethical manner serving our customers, employees and community.

John Blackfan

Executive Vice President

Revised November 27, 2006
