## **CHEMIONICS CORPORATION** An ISO 9001:2000 Registered Company Waterbased Compounding Capabilities: An Overview Markets: **Applications:** Mask (Halloween) Military **Coagulant Dipping Industrial Gloves** Straight Dipping Tov Novelty Adhesives Slush Molding Balloon (Toy / Weather) Finger Cots Dipping - Supported Artificial / Cultured Stone **Dipping - Unsupported** Medical Gloves (Exam / Surgical) **Ornamental Concrete** Casting Plaster Products Condoms Saturants Catheters Sheeting **Sprayables** Cohesives/Cold Seal **Textile / Fabric Coatings Re-Breather Bags** Tubing Natural Latex Laminating Adhesives Bulbs Synthetic Latex Mold Making Bellows Packaging Screen Printing Packaging Box Adhesives / Primers **Textile/Industrial Fabrics** Carton Resorcinal-Formaldehyde **Automotive** Paper Coatings (RFL) **Strippable Coatings Polymers: Natural Latex** Nitrile Neoprene **EVA PVA** Pre-vulcanized /Non Pre-vulcanized **Compounding Available**

## **PROPERTIES/CHARACTERISTICS**

Custom Color Matching Spectrophotometer Color Computer (Datacolor Spectraflash 300) Waterbased Compounding Capabilities: An Overview, Cont.

FDA / Medical Grade Applications

**Toll Compounding** 

**Polymer Blends** 

## **Conductive / Anti-Static Properties**

Waterbased Dispersions/Emulsions/Coagulants

Variety of Durometers Shore A 30 - 55

**Automotive Specifications** 

Resistance Properties Flame Retardant Ultra Violet Ozone Cold Temperature Abrasion Solvent Resistance

CHEMIONICS CORPORATION 390 Munroe Falls Road Tallmadge, OH 44278
